## Perfect Therapy for Male Clients

### General Physiotherapy G5®

The perfect modality for working on male clients to provide deep muscle massage and trigger-point therapy, G5® Therapeutic Massagers allow the therapist to work deeper and longer, without strain or fatigue. The G5® line is ideal for many therapies

including cellulite treatment, detoxification, lymphatic drainage, circulatory stimulation, reflexology, and many other spa treatments. A variety of applicators assist in aesthetic treatments and facilitate a broad range of therapeutic massage techniques. May be used on the rolling stand or mounted on a wall. 800-237-1832, [www.g5.com](http://www.g5.com)
