	Hapuna Keratin Retexturizer Mist	Hapuna Keratin Retexturizer Mist

- **Hapuna Keratin Retexturizer Conditioner**

Free of parabens and petrochemicals, this gentle, low ph moisturizing conditioner will help keep the hair's cuticle closed, protecting against breakage and damage. Apply to hair for 2-5 minutes, leaving hair supple, smooth, and manageable.

- **Hapuna Anti-Frizz Shampoo & Hapuna Anti-Frizz Reconstructor**

Together, they maintain and keep hair free from frizz and fly-a-ways. Gentle, yet an effective shampoo and conditioner combination, both formulas have been specially developed FREE of sulfate, paraben and sodium chloride.

- **Hapuna Keratin Retexturizer Mist**

A natural straightening mister derived from the many properties of the Hapuna Keratin Retexturizer is an absolute must for after-service use. The mist extends the life of the Retexturizer service and enhances the effect of the treatment. It is synergistically designed to enclose the keratin into the hair cuticle, protect and endow the hair's radiance and luster while adding significant shine and manageability.
