## Extending beauty

Short cuts can be fabulous, but nothing says "glamour" like long locks – a favorite on red carpets. And with a little help from extensions, anyone can have VIP hair!

Extensions can also be a great way to try a bold color without damaging your hair: adding a few extra strands is a quick and easy update. Sometimes they are even a way to support a good cause, with initiatives such as SO.CAP.USA's yearly Pink Hair For Hope: all proceeds from the sale of special pink single extensions fund breast cancer research.
