Give A Treat To Dry, Cracked Feet!

Thunder Ridge Introduces 100% Natural Neat Feet Emu Oil Product

Manassas, VA Since the decline of the economy, many women have strayed away from regularly receiving their salon manicures and pedicures. With the warmer weather, women and men are searching for ways to keep their feet looking great for open-toe season. Thunder Ridge Emu Products has the perfect remedy with a superior service and retail product to keep your clients' feet feeling healthy and looking beautiful.

Thunder Ridge Emu Products Neat Feet combines Emu Oil, aloe vera and tea tree oil as a superior moisturizer. It is the perfect professional solution for dry and cracked feet. As Neat Feet conditions, a special exfoliant gently removes old dead winter skin, softens calluses on toes and the bottoms of the feet as well as repairs splits and cracks on the heels.

Neat Feet is great for clients suffering from diabetes, poor circulation or simply exposure to the harsh outside elements. Used daily, Neat Feet will keep feet looking healthy and in tip top condition between salon visits. Use Neat Feet after a foot massage or simply circulate a jar for personal sampling, while clients sit in your salon chair.

At Thunder Ridge Emu Products, all 16 of their personal care products have been formulated with the best natural ingredients available today. The entire Thunder Ridge Emu Product Line has just been redesigned with beautiful new packaging that your clients will love.

Thunder Ridge Emu Products are sold directly to salons, day spas and professional beauty stores. For more information on Neat Feet and other Thunder Ridge Emu Products, call 800-457-0617, email Anne@ThunderRidgeEmu.com or visit their website at www.ThunderRidgeEmu.com.
